

PRESS RELEASE

For Immediate Release:

JOHNSON AWARDED CERTIFICATION AS A PROFESSIONAL OF HEALTHCARE QUALITY

CINCINNATI, OH USA – Johnson Consulting Services, LLC (**JCS**) is proud to announce that Mr. Bruce W. Johnson, MS, President of **JCS**, was certified by the Healthcare Quality Certification Board (HQC) and the National Association of Healthcare Quality (NAHQ) as a Certified Professional of Healthcare Quality on May 3rd, 2012.

The CPHQ credential signifies professional and academic achievement by individuals in the field of healthcare quality management. The comprehensive body of knowledge includes quality management, quality improvement, case/care/disease/utilization management, and risk management at all employment levels and in all healthcare settings.

The National Association for Healthcare Quality (NAHQ) is a professional association dedicated to the advancement of the profession of healthcare quality and patient safety and the individual professionals working in the field.

Founded in 1976, NAHQ has more than 10,000 quality and patient safety professionals working in healthcare settings both nationally and internationally. These professionals drive the delivery of vital data for effective decision making in healthcare systems by combining technology with their unique expertise in quality management.
